

CIPP XX

20TH INTERNATIONAL
CONGRESS ON
PEDIATRIC PULMONOLOGY

NICE, FRANCE | JUNE 24-27, 2021

Created over 25 years ago, CIPP is the only international congress **fully devoted to Pediatric Pulmonology**, it has become one of the leading global meetings for people involved in the care of children with respiratory conditions.

In a world where the disparities between North and South keep increasing, and where the gap between the rich and poor is widening, one of the **main goals of the CIPP** is to **bring together leading specialists in pediatric pulmonology from both, high, low and middle income settings (LMICs)**

A large tribune is also offered to **Young Investigators and over 50 awards** have been granted since 1994.

The CIPP offers a **rich and varied program, combining the fundamental science underlying what we do, clinical practice** as well as numerous **interactive sessions**.

About **CIPP XVIII**, held in Chiba, Japan on June 27-30, 2019:

- ✓ About **600 participants**
- ✓ **250 abstracts** submitted
- ✓ More than **65 countries** represented
- ✓ **40 speakers**
- ✓ **55 International Advisory Board members**

The accreditation process for CIPPXX is still ongoing.

The CIPP XVIII / 18th International Congress on Pediatric Pulmonology, was accredited with **26 European CME credits** (ECMEC®s) by the European Accreditation Council for Continuing Medical Education (EACCME®).

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an **agreement between the Union Européenne des Médecins Spécialistes** and the **American Medical Association**, physicians may **convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™**. Information on the process to convert EACCME® credit to AMA credit can be found at:
