

CIPP XXI

21ST INTERNATIONAL
CONGRESS ON
PEDIATRIC PULMONOLOGY

HYBRID CONFERENCE

NICE, France

JUNE 30th – JULY 3rd, 2022

Created over 20 years ago, CIPP is the only international congress
fully devoted to Pediatric Pulmonology.

In a world where the disparities between North and South keep increasing, and where the gap between the rich and the poor is widening, one of the **main goals of the CIPP** is also to **bring together leading specialists** in pediatric pulmonology from both **developed and developing countries.**

A large tribune is also offered to **Young Investigators, over 50 awards** have been granted since 1994.

The CIPP offers a **rich and varied program**, combining **fundamentals, clinical practice** as well as numerous **interactive sessions.**

About the virtual **CIPP XX**, held on June 24-27, 2021:

- ✓ About **600 participants**
- ✓ **250 abstracts** submitted
- ✓ **40 speakers**
- ✓ **50 International Advisory Board members**
- ✓ More than **65 countries** represented

The CIPP XXI / 21th International Congress on Pediatric Pulmonology will be as always accredited with European CME credits (ECMEC®s) by the European Accreditation Council for Continuing Medical Education (EACCME®).

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an **agreement between the Union Européenne des Médecins Spécialistes** and the **American Medical Association**, physicians may **convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™**. Information on the process to convert EACCME® credit to AMA credit can be found at:

www.ama-assn.org/education/earn-credit-participation-international-activities

The exact number of CME Credits will be available at a later date
