Dear Participant

We are pleased to provide you with the following information regarding the practical arrangements for the above meeting.

1. Arrival airports

Larnaca International Airport is the main international gateway and the largest airport of Cyprus. The airport can be reached by car, taxi and public transport system. Taxis are available outside the arrival hall of Larnaca airport. A taxi ride (Larnaca airport- Nicosia city center/hotel) will cost approximately €60. It takes 40 minutes to travel to Nicosia from Larnaca airport.

There is also a [shuttle bus](#) system (Kapnos Shuttle) from/to Nicosia. The shuttle bus fare for a one-way trip is 9 euro. A taxi ride will still be required to get from the Kapnos shuttle terminal in Nicosia to Nicosia city center/hotel.

Pafos International Airport is the country's second airport. Pafos Airport is commonly used by tourists on vacation in western Cyprus. A taxi ride (Pafos airport- Nicosia city center/hotel) will cost approximately €130 and it will take approximately 90 minutes. There is also a shuttle bus system (Kapnos Shuttle) from Pafos to Nicosia. The shuttle bus fare for a one-way trip from Pafos is 18 euro. A taxi ride will still be required to get from the Kapnos shuttle terminal in Nicosia to Nicosia city center/hotel.
